

MOTOR VEHICLES AND PARKING

General Regulations

Any and all motor vehicle laws or regulations of the Commonwealth of Pennsylvania and the College shall apply and be in effect on any campus and/or site owned and/or leased by Butler County Community College.

Any vehicle required by State law to bear a license and current inspection sticker must have such a license when operated on the campus.

Operation of mini bikes, trail bikes, all-terrain vehicles, snowmobiles or other vehicles of a similar nature is prohibited.

Motor Vehicle Registration Requirements

- A. Any employee or student who wishes to operate a vehicle on campus must register that vehicle with the Campus Police Department and receive a parking permit. To register a vehicle, a person must present a valid owner's card and current Driver's License. Students are required to renew their parking permits in August of each academic year. For off-campus sites, please inquire with the staff at the respective site for parking permits.
- B. Parking permits are to be displayed as directed by the Campus Police Department.
- C. Any person driving a substitute vehicle on campus, as a replacement for a registered vehicle, must obtain a TEMPORARY PERMIT at the Campus Police Department.
- D. Any person who demonstrates the need for special parking privileges because of a physical disability may apply for a HANDICAPPED PARKING PERMIT at the Campus Police Department.

Traffic and Parking Regulations

- A. Cars must be parked in marked parking spaces.
- B. Only cars with handicapped permits may park in those spaces marked "Reserved for Handicapped."
- C. No vehicles bearing a student parking permit may park in the spaces reserved for employees or visitors.
- D. No vehicles may be parked on the grass, in areas marked "No Parking," or within 15 feet of any fire hydrant.
- E. No vehicle is to be parked in any way that might hinder or obstruct the movement of any other vehicle or pedestrian.
- F. Parking along any roadways, including parking area roadways, is a violation.
- G. The campus speed limit is 20 MPH, unless otherwise indicated.
