

SEXUAL ASSAULT VICTIMS' BILL OF RIGHTS

Butler County Community College is committed to providing a safe, secure, and healthy teaching, learning, and working environment free from sexual assault by providing sexual assault awareness and prevention programs.

If you are a victim of sexual assault, find a safe environment away from the attacker. To seek assistance and report a sexual assault call 911, contact Campus Police, and/or notify College administration. It is imperative to preserve all evidence to be used in proving that a sexual assault occurred. Seek medical attention and notify those involved that you are a victim of a sexual assault, identify any risks of sexually transmitted infections/diseases and/or pregnancy, and seek counseling, if necessary. In addition, write down as much as you can remember immediately following the attack. Understand you are a victim and this was not your fault. College administration is here to assist you by providing both internal and/or external resources regardless if you choose to criminally prosecute the offender or not.

Butler County Community College will act promptly to protect the rights of all individuals involved in a sexual assault matter. We support the victim's right to choose which avenues of assistance are most appropriate for him/her to pursue and the victim's right not to pursue, if he/she so chooses. Individuals who have been sexually assaulted have the right to:

- have the same opportunity to have others present during College disciplinary proceeding as does the accused;
- be informed of the outcome of any College disciplinary proceeding as does the accused;
- notify law enforcement authorities, including Campus Police and local police, along with the option to be assisted by College administration in notifying these authorities;
- change academic, working, and/or living situations, if applicable and reasonably available; and
- utilize the available counseling services below:
