

BC3 @ BROCKWAY BIOLOGY/CHEMISTRY LABORATORY TECHNICIAN POSITION ANNOUNCEMENT

Butler County Community College (BC3) is currently accepting applications for the position of BC3 @ Brockway Biology/Chemistry Laboratory Technician. This is a temporary part-time grant-funded position that will begin immediately, and continue as long as grant funds are available to support this position. Flexible work schedule available to support the needs of the labs. The employee will be expected to travel to Main Campus occasionally for training.

BC3 is nestled in the rolling hills of Western Pennsylvania and only 45 minutes from the cultural life of Pittsburgh. BC3 is a vibrant comprehensive community college serving eight (8) counties with six (6) locations and nearly 4,000 credit students. Built on the former Oak Hills Golf Course and a farm, BC3 has a beautiful main campus on 329 wooded acres with a central Oak Grove. Our BC3 @ Brockway site is located in Brockway, PA and is the region's only community college serving Clarion, Clearfield, Elk, & Jefferson counties.

BC3 employs approximately 1,250 full- and part-time employees. BC3 has 55 career and transfer programs, with unique programs such as Metrology, Massage Therapy, Robotics, Electronics, Nanofabrication Technology, Park and Recreation Management, and Criminology. BC3 offers over 100 courses in online and distance education. In addition to degree programs, BC3 has a public safety training facility at its main campus that serves 15,000 students annually for business training, industrial safety training, and public safety – fire, EMS, Hazmat, and police training. The impact of BC3 as an economic engine bolsters the regional economy and continues to contribute substantially to the regional workforce. With a focus on student success, faculty, and staff describe BC3 as a special place with a caring and collegial atmosphere that is unusual in today's higher education landscape. BC3 was named the #1 community college in Pennsylvania by Schools.com. To learn more about BC3, please visit www.bc3.edu.

Reporting to the Coordinator of Science and Technology Labs, the Brockway Biology/Chemistry Laboratory Technician is responsible for preparing materials for biology labs, assigned physical science labs, and Descriptive Chemistry. In addition, the technician is responsible for obtaining supplies needed for the lab, the collection, recording, and storage of chemical waste, inventory of equipment and supplies at this site, organizing and maintaining the Lab and the Prep Room to create a safe working environment, and arranging for the repair of dysfunctional equipment. Site supervision will be with the Director of BC3 @ Brockway while at the Brockway Site.

Associate Degree from an accredited institution in Biology or a related field plus two years experience in biology or chemistry laboratory work required. Must possess and maintain a valid driver's license. Bachelor's Degree from an accredited institution in Biology or a related field plus one year of experience in chemistry or biology laboratory work preferred.

Review of applications will begin immediately. Interested candidates should complete the [employment application](#), and submit along with a letter of application, current resume, copy of college/university transcript(s), and names, addresses, and telephone numbers of three professional references. Incomplete application packets and/or any materials regarding this position that is received after the application deadline or closing of the search will not be considered. Any materials submitted will be the property of the College. A separate application must be completed for each position for which you are applying. Applicants currently employed by Butler County Community College must authorize in writing that all college/university transcript(s) on file in his/her personnel file located in the Human Resources Office may be copied and attached to his/her application packet by the application deadline. Requests to copy transcripts received after the deadline will be denied. If you have any questions, please contact the Human Resources Office for more information.
