

## CHEMISTRY AND SCIENCE LABORATORY TECHNICIAN POSITION ANNOUNCEMENT

Butler County Community College (BC3) is currently accepting applications for the position of Chemistry and Science Laboratory Technician. This is a regular part-time position that will begin immediately. Flexible work schedule available to support the needs of the labs.

Reporting to the Coordinator of Science and Technology Labs, the Chemistry and Science Laboratory Technician at Main Campus is responsible for preparing materials and obtaining needed supplies for the Chemistry labs on Main Campus, managing the chemical stock, assisting the Coordinator in managing the hazardous waste and maintaining safe working conditions, maintaining Chemistry's SDS books and list, supervising student workers while in chemistry, maintaining organization and physical and chemical cleanliness, and maintaining and arranging for the repair of equipment. In addition, the Chemistry technician will provide needed and/or emergency coverage for Biology, when possible. The Chemistry and Science Laboratory Technician is responsible for preparing materials and obtaining needed supplies for the Cranberry campus's Chemistry, Physical Science and Biology labs, as well as, managing the chemical stock and any hazardous waste, maintaining safe working condition, maintaining all Chemical SDS books and lists, maintaining organization and physical and chemical cleanliness, and maintaining and arranging for the repair of equipment at the Cranberry campus as determined by the Coordinator of Science and Technology Labs. Bachelor's Degree from an accredited institution in Chemistry, Biology, or a related field required. One year of experience in chemistry or biology laboratory work required.

Hourly rate will be commensurate with qualifications and experience. Review of applications will begin immediately. Interested candidates should visit [BC3 Recruitment](#) to complete their Candidate Profile along with uploading a PDF version of current resume, cover letter, and copy of college/university transcripts that have been conferred to the Resume section. Incomplete candidate profiles and/or any materials regarding this position that are received after the application deadline or closing of the search will not be considered. Any materials submitted will be the property of the College. Applicants currently employed by Butler County Community College must authorize in writing that all college/university transcript(s) on file in their personnel file located in the Human Resources Office may be copied and attached to their application packet by the application deadline. Requests to copy transcripts received after the deadline will be denied. If you have any questions, please contact the Human Resources Office at 724-287-8711 Ext. 8951 for more information.

BC3 is nestled in the rolling hills of Western Pennsylvania and only 45 minutes from the cultural life of Pittsburgh. BC3 is a vibrant comprehensive community college serving eight (8) counties with six (6) locations and nearly 2,500 credit students. Built on the former Oak Hills Golf Course and a farm, BC3 has a beautiful main campus on 329 wooded acres with a central Oak Grove. BC3 employs approximately 1,000 full- and part-time employees.

BC3 has 55 career and transfer programs. The College is going "all in" for its Shaffer School of Nursing and Allied Health. This includes the construction of a state-of-the-art Victor K. Phillips Nursing and Allied Health Building, program expansion, and the development of a Licensed Practical Nurse (LPN) Program. Private and public support has made this possible. BC3 offers unique programs such as Measurement Science/Metrology, Massage Therapy, Robotics, Electronics, Nanofabrication Technology, and Park and Recreation Management. BC3 offers over 100 courses in online and distance education. In addition to degree programs, BC3 has a public safety training facility at its main campus that serves 15,000 students annually for business training, industrial safety training, and public safety – fire, EMS, Hazmat, and police training.

The impact of BC3 as an economic engine bolsters the regional economy and continues to contribute substantially to the regional workforce. With a focus on student success, faculty, and staff describe BC3 as a special place with a caring and collegial atmosphere that is unusual in today's higher education landscape. For the sixth time since 2015, BC3 was named the #1 community college in Pennsylvania by Schools.com, BestColleges.com, and Niche.com.
