

EMS LAB TECHNICIAN POSITION ANNOUNCEMENT

Butler County Community College (BC3) is currently accepting applications for the position of EMS Lab Technician. This is a temporary part-time position will begin immediately. Work hours will vary and can include evenings and Saturdays. Some travel will be required and may include overnight and weekend travel at times.

BC3 is nestled in the rolling hills of Western Pennsylvania and only 45 minutes from the cultural life of Pittsburgh. BC3 is a vibrant comprehensive community college serving eight (8) counties with six (6) locations and nearly 4,000 credit students. Built on the former Oak Hills Golf Course and a farm, BC3 has a beautiful main campus on 329 wooded acres with a central Oak Grove. BC3 employs approximately 1,250 full- and part-time employees. BC3 has 55 career and transfer programs, with unique programs such as Measurement Science/Metrology, Massage Therapy, Robotics, Electronics, Nanofabrication Technology, Park and Recreation Management, and Criminology. BC3 offers over 100 courses in online and distance education. In addition to degree programs, BC3 has a public safety training facility at its main campus that serves 15,000 students annually for business training, industrial safety training, and public safety – fire, EMS, Hazmat, and police training. The impact of BC3 as an economic engine bolsters the regional economy and continues to contribute substantially to the regional workforce. With a focus on student success, faculty, and staff describe BC3 as a special place with a caring and collegial atmosphere that is unusual in today's higher education landscape. For the fifth time since 2015, BC3 was named the #1 community college in Pennsylvania by Schools.com and BestColleges.com. To learn more about BC3, please visit www.bc3.edu.

Reporting to the Coordinator of EMS and Police Training Programs, the EMS Lab Technician is responsible for staging equipment and supplies for all on campus EMS labs and other classes that include a skills/lab component. This position will also require inventory, ordering, and stocking of the EMS supplies and maintenance of the supply room. This position may also act as a COVID Compliance Officer for assigned classes as needed. EMS/Healthcare provider educations required. Current certification in Emergency Services, such as Emergency Medical Responder or higher preferred. Public Safety/EMS background required. Must possess and maintain a valid driver's license and required certifications.

Review of applications will begin immediately. Interested candidates should complete the [employment application](#), and submit along with a letter of application, current resume, [copy](#) of college/university transcript(s), and names, addresses, and telephone numbers of three professional references. Incomplete application packets and/or any materials regarding this position that is received after the application deadline or closing of the search will not be considered. Any materials submitted will be the property of the College. A separate application must be completed for each position for which you are applying. Applicants [currently](#) employed by Butler County Community College must authorize in [writing](#) that all college/university transcript(s) on file in his/her personnel file located in the Human Resources Office may be copied and attached to his/her application packet by the application deadline. Requests to copy transcripts received after the deadline will be denied. If you have any questions, please contact the Human Resources Office for more information.
