

ELECTRONICS INSTRUCTOR POSITION ANNOUNCEMENT

Butler County Community College (BC3) is currently accepting applications for the position of Electronics Instructor. This is a nine-month full-time tenure track Electronics Instructor in the STEM Division. The instructor will begin first academic semester following hire and teach primarily at the Main Campus. Courses may also be assigned at other locations (excluding Brockway) for day or evening assignments to meet required credit load.

Reporting to the Dean of STEM, the Electronics instructor is responsible for teaching Electrical Fundamentals, Electronics I & II, Digital Electronics, Fundamentals of Microprocessors, Power Systems, Linear Circuit Analysis, Robotics Enabling Technologies, and other electronics and electronics-related courses with labs. Lab preparation is required. Additional responsibilities include, but are not limited to: advising and recruiting students; advancing the Electronics and Robotics curriculum through program and course development; participating on Division and College committees; serving the campus community; assisting with accreditation activities; and promoting student retention.

Qualifications:

Required:

- A Master's Degree from an accredited institution or a Bachelor's Degree in Electrical Engineering, Electrical Engineering Technology, Electro-Mechanical Engineering or Physics with an Electronics Concentration with an understanding that completion of a Master's Degree must occur within five (5) years of employment;
- Excellent oral and written communication skills; and
- Computer literacy and proficiency.

Preferred:

- Master's Degree in Electrical Engineering or Electrical Engineering Technology;
- A commitment to the Community College philosophy;
- Community College teaching experience; and
- Evidence of excellence in teaching.

Salary (\$45,000 - \$49,000) will be commensurate with qualifications and experience. Review of applications will begin immediately. Interested candidates should visit [BC3 Recruitment](#) to complete their Candidate Profile along with uploading a PDF version of current resume, cover letter, and copy of college/university transcripts that have been conferred to the Resume section. Incomplete candidate profiles and/or any materials regarding this position that are received after the application deadline or closing of the search will not be considered. Any materials submitted will be the property of the College. Applicants currently employed by Butler County Community College must authorize in writing that all college/university transcript(s) on file in their personnel file located in the Human Resources Office may be copied and attached to their application packet by the application deadline. Requests to copy transcripts received after the deadline will be denied. If you have any questions, please contact the Human Resources Office at 724-287-8711 Ext. 8951 for more information.

BC3 is nestled in the rolling hills of Western Pennsylvania and only 45 minutes from the cultural life of Pittsburgh. BC3 is a vibrant comprehensive community college serving eight (8) counties with six (6) locations and nearly 2,500 credit students. Built on the former Oak Hills Golf Course and a farm, BC3 has a beautiful main campus on 329 wooded acres with a central Oak Grove. BC3 employs approximately 1,000 full- and part-time employees.

BC3 has 55 career and transfer programs. The College is going "all in" for its Shaffer School of Nursing and Allied Health. This includes the construction of a state-of-the-art Victor K. Phillips Nursing and Allied Health Building, program expansion, and the development of a Licensed Practical Nurse (LPN) Program. Private and public support has made this possible. BC3 offers unique programs such as Measurement Science/Metrology, Massage Therapy, Robotics, Electronics, Nanofabrication Technology, and Park and Recreation Management. BC3 offers over 100 courses in online and distance education. In addition to degree programs, BC3 has a public safety training facility at its main campus that serves 15,000 students annually for business training, industrial safety training, and public safety – fire, EMS, Hazmat, and police training.

The impact of BC3 as an economic engine bolsters the regional economy and continues to contribute substantially to the regional workforce. With a focus on student success, faculty, and staff describe BC3 as a special place with a caring and collegial atmosphere that is unusual in today's higher education landscape. For the sixth time since 2015, BC3 was named the #1 community college in Pennsylvania by Schools.com, BestColleges.com, and Niche.com. To learn more about BC3, please visit www.bc3.edu.

Butler County Community College is an equal opportunity, affirmative action employer.
