

SYSTEM SUPPORT SPECIALIST POSITION ANNOUNCEMENT

Butler County Community College (BC3) is currently accepting applications for the position of System Support Specialist. This is a regular full-time position will begin immediately.

BC3 is nestled in the rolling hills of Western Pennsylvania and only 45 minutes from the cultural life of Pittsburgh. BC3 is a vibrant comprehensive community college serving eight (8) counties with six (6) locations and nearly 4,000 credit students. Built on the former Oak Hills Golf Course and a farm, BC3 has a beautiful main campus on 329 wooded acres with a central Oak Grove. BC3 employs approximately 1,250 full- and part-time employees. BC3 has 55 career and transfer programs, with unique programs such as Metrology, Massage Therapy, Robotics, Electronics, Nanofabrication Technology, Park and Recreation Management, and Criminology. BC3 offers over 100 courses in online and distance education. In addition to degree programs, BC3 has a public safety training facility at its main campus that serves 15,000 students annually for business training, industrial safety training, and public safety – fire, EMS, Hazmat, and police training. The impact of BC3 as an economic engine bolsters the regional economy and continues to contribute substantially to the regional workforce. With a focus on student success, faculty, and staff describe BC3 as a special place with a caring and collegial atmosphere that is unusual in today's higher education landscape. BC3 was named the #1 community college in Pennsylvania by Schools.com for the second consecutive ranking. To learn more about BC3, please visit www.bc3.edu.
