Certification Information

All Certifications have limited enrollment. To reserve your spot you must submit a completed/typed certification application, supporting documentation and a BC3 Class Registration Form by the application deadline or before the certification is full.

Lunch will be provided to candidates on Practical Skills Exam Day.

Doesn't include HMA Certification

Closed Test - These certifications are not open for public enrollment without the permission of the hosting organization. Any organization that meets the minimum number of candidates, can schedule a closed certification.

Off-Site Testing - To increase accessibility of certifications, we can deliver certain certifications locally. Requests must be submitted at least 120 days before the certification date. Off-site testing are normally for HMA, Driver/operator series & Fire & Emergency Instructor series.

If you would like to schedule a closed or off-site certification or want more information, please contact Jason Bragunier at Jason.Bragunier@bc3.edu

Please mail the original application and supporting documentation to:

BC3, Public Safety Training Facility, Attn. Jason Bragunier
107 College Drive, Butler, PA 16002

All candidates **MUST** submit Certification Application, BC3 Class Registration Form and ALL supporting documents when registering for a Certification

If you cannot attend any part of the certification, please let us know at least 2 weeks before your scheduled certification. If we are not notified you and your department will be responsible for the registration fee for not showing up.

For more information on certification including applications, handbooks, prep classes, skill sheets, scholarship opportunities and registration checklist please visit: www.bc3.edu/fire, then click on the certification page.
