BUTLER COUNTY COMMUNITY COLLEGE CORE FIRE/HAZMAT COURSES

Updated 4/23/2025

<u>FEES:</u> All fees are per course not per student. <u>Preferred Training Partnerships (PTP)</u> agencies PTP partners only pay course fees for what they use up to a maximum of \$2000 for 250 hours of training for individual fire departments, and \$4000 for 500 hours of training for city and county-based organizations. Anything over the package hours, you start paying the class at cost.

COURSE APPLICATIONS: The requesting agency must fillout and sign a course application. Applications can be mailed, faxed 724-284-8548 or emailed to kevin.smith@bc3.edu at least 6 weeks prior to the first day of class.

MANUALS/BOOKS- Manuals and handouts may be provided for the course. Should the course require or recommend a published text it will be the responsibility of the student or sponoring agency to acquire or purchase the text.

OTHER COURSES NOT LISTED: BC3 offers over 150 additional or modified custom programs. If you do not see a class that meets your needs on the list please contact our Fire/Hazmat Coordinator at 724-287-8711 x8354 or email: kevin.smith@bc3.edu. BC3 will work with you to try and meet your needs.
