**Subject:** Commencement

Butler County Community College is announcing the indefinite postponement of the Spring 2020 commencement ceremony, scheduled for May 13. This was a difficult decision, but the health and safety of our community is our first priority. The College anticipates holding commencement some months later as the national health situation improves. Students eligible to graduate on May 13 will still receive their diplomas by mail.

If you have questions or concerns, please email me directly.

Thank you.
