Subject: Coronavirus Updates from BC3

Dear Student,

BC3 administration is carefully monitoring the recommendations of health agencies such as the US Center for Disease Control and Prevention (CDC) <https://www.cdc.gov/> and the Pennsylvania Department of Health <https://www.health.pa.gov/Pages/default.aspx> regarding the **Coronavirus Disease 2019 (COVID-19)**.

At this time, classes continue as scheduled. If any changes happen, we will communicate by email, social media, BC3 Alerts (text messaging) and our website. To help you stay abreast of BC3's response to COVID-19, **please see this webpage** <https://www.bc3.edu/services/coronavirus-2019.html>. There you will also find information about prevention, symptoms, and additional resources.

Further, **we encourage all students to sign up for BC3 alerts** to receive text messages in the event of any kind of emergency. You can do so at <https://www.bc3.edu/services/police-security/bc3-alerts.html>.

The safety of our community is our top priority. If you have any questions or concerns, please email me.

Sincerely,

Dr. Case Willoughby
