

Office 365

On Chromebooks Students Only

Students can no longer download and install the Office products separately on a Chromebook, as they could in the past, it is no longer supported.

To access office products, you can access it through the web version in your email or BC3's Citrix.

- Sign into the MyBC3 Portal and click on Office 365 to use the web version of Office

OR

- Sign into on BC3's Citrix environment to use the full version of Office 365
- Goto www.Citrix.bc3.edu and sign in
